Welcome by President Bonnie Harrison. Introduction of Guest speaker: Barb Gorges

### Business/ Committee Reports

- Fundraising - Barbara gave a report on the upcoming Cornhole Tournament on Saturday, April 23, 2022.

### New Business/New Member

Barbara Reynolds was formally inducted into the Cheyenne Noon Lions by Jim Barber.

### Potential upcoming Service Projects

- April – Earth day trash pickup. April 23 will not work because that’s the day of the Spring Fling Cornhole Tournament. The next Saturday April 30th was suggested as the alternative.
- May – District Lions Convention at Little America  
 May 12 to May 14- we need volunteers to help at the registration table. Please contact Bonnie if you’d like to help.

### Our Program

Barb Gorges, author and blogger ([Cheyenne Bird Banter](#)), was our guest. It was an entertaining talk with a focus on how to grow tomatoes successfully in Cheyenne! She also gave tips on general gardening.

**Adjourn - The meeting adjourned with a roar**
